

Grill-n-Go®

Grill-n-Go

Grill-n-Go is the disposable charcoal grill that can be used virtually everywhere! Perfect for camping and tailgating, this convenient item is totally self-contained. No lighter fluid is needed to start the charcoal, and clean-up is nonexistent. Simply remove the plastic wrapper and light the bag of charcoal through the holes in the sides of the aluminum pan. The grill is ready to use in fifteen short minutes. Food can be grilled for up to thirty minutes. After cooking is complete, extinguish the coals and dispose of the entire grill in an appropriate garbage receptacle. This product is compact, lightweight, and perfect for every outdoor setting.

- Each shipper contains 12 Grill-n-Go units.
- The manufacturer's suggested retail price is approximately \$3.99 to \$4.99 per Grill-n-Go unit. This should vary based on the given retail market.
- This product is available with or without folding wire legs.
- The pan size of the Grill-n-Go is approximately 12.5" x 10" x 2.125".
- A POP display can be used to boost seasonal sales. The POP display covers a 12" x 12" floor space, and stands 30" tall.
- Please inquire about skid configurations and freight charges.
